

LAS GALLINAS STORAGE PONDS
THURSDAY MORNING WALK
8:30 AM to 12 NOON
May 6 – *Len Blumin*

Join Len on this Thursday morning birding walk at the Storage Ponds. We might still see a few of our winter visitors and most of the Neotropicals will have arrived. The birds should be in their distinctive breeding plumage!

From Hwy 101 in San Rafael take the Smith Ranch Road exit, go east to the McInnis Park entrance, turn left immediately after crossing the railroad tracks and go to the end of the road to Las Gallinas Storage Ponds' parking lot. Meet the group up by the bridge.
